## 2013 CANVASBACK RED MOUNTAIN WASHINGTON STATE CABERNET SAUVIGNON

POINTS

Exceptional examples  
of their type

“In its second vintage on Red Mountain, Duckhorn produced a massive cabernet. The initial impression is that it’s so opaque, it won’t be able to get out of its own way. But after just ten minutes it starts to reveal its trajectory, a concentrated, powerful, black-fruited wine adorned with scents of lavender and rosemary – relentless, and yet completely in balance, and years from peak expression. It’s a cabernet to cellar and watch evolve for a decade.”
